Re: 2018 Warwick Show

We would like to advise you that trade applications for the 2018 Warwick Show are now open should you wish to apply for trade space at this year's Warwick Show, being held from Friday 23rd March to Sunday 25th March 2018.

Please find attached the Conditions of Application and Application Forms for Trade Vendors plus a List of Banned Items for the 2018 Warwick Show.

Your completed application form and full payment must be sent with your signed application form and copy of your current Public Liability Certificate of Insurance (stating Warwick Show and Rodeo Society Inc as an interested party). Should you be unsuccessful your payment will be refunded within 30 days of notification. If you are successful in obtaining a trade site you will be advised before 2nd March 2018. You are advised to read the Conditions of Application carefully before signing the Application Form.

Application Forms with all necessary inclusions must be received at the Secretarial Office by Friday 23rd February 2018.

No late applications or incomplete applications will be accepted. Please note that if your Public Liability Insurance is due after 23rd March 2018, a copy of your current Certificate is still required.

In 2018, trade will operate from Friday 23rd March to at least midday on Sunday 25th March 2018. The Warwick Show is a 3 day show, and as such we are asking vendors, exhibitors and competitors to remain set up and operating over the 3 days to allow our patrons to make the most of what we have to offer.

Should you have any queries, please do not hesitate to contact the Secretarial Office.
